Dear Parents and Carers,

I am writing to let you know, with sincere regret, that we have had to cancel the planned park visit. Unfortunately, the weather forecast predicts further rain, and the ground is likely to remain sodden following the rainfall this week. As a result, we do not feel it would be appropriate or safe to proceed with the visit as planned.

We appreciate that this will be disappointing for the children, following on from all their hard work. We share that disappointment, as we were very much looking forward to the outing. However, the welfare and comfort of the children must always remain our priority, and we believe this decision is the most sensible course of action in the circumstances.

We are already looking into alternative arrangements and will aim to reschedule the visit as soon as possible. As soon as a new date has been confirmed, we will write to you with the revised details.

Thank you for your understanding and support. Please be assured that we will keep you informed of any further developments.

Yours sincerely,

E Kyndt

Vice Principal
