opening doors, unlocking potential

CEO - Mrs C. Woolf

Dear Parents & Carers,

In order to support children in their science learning on plants, Lobster class will be visiting Garon Park's garden project on **Monday 17th June 2024**. Children will be harvesting and planting vegetables with gardening experts. They will also have the opportunity to observe plants and wildlife in their woodland area.

Children will be transported by minibus which will be picking up pupils from **8:55am**. School uniform must be worn on the day and good walking shoes will be required. Please also make sure children have a light waterproof jacket, a sunhat and have applied sunscreen. No packed lunch is required as we will arrive back at school before lunchtime.

Your children will not require any spending money for the day.

Yours sincerely,

Mrs Scanes

We are a **good** school in all areas
