

Welcome to Porters Grange Primary School & Nursery

Our School Routine in Nursery

Our daily routine

We come into nursery, hang our coats on our pegs and register. We also choose our lunch if we are staying all day.

We then play and learn inside and outside with our teachers. We also have a healthy snack.

At the end of the morning we have a story. If we attend mornings we then go home. If we stay all day we have lunch and dessert.

After lunch we carry on playing and learning. We are joined by the children attending afternoons.

We end the day with another story.
